## TRUST CONTEXT, VISION AND VALUES

The Mead Educational Trust (TMET) is a well-established, respected multi-academy trust. As of January 2023, TMET has 13 schools (eight primary and five secondary, all based in and around Leicester), The Mead Institute of Professional Learning, Leicester and Leicestershire Teaching School Hub and Leicestershire Secondary SCITT (School-Centred Initial Teacher Training) programme. The Trust has several layers of governance: the Members, Trust Board, Board Committees, Executive Leadership Team and academy councils that provide school-focused challenge and support.

This Scheme of Delegation is underpinned by the TMET vision that *'together we make a positive difference'* and the Trust values, the 7 Cs:

**Challenge:** Providing an excellent education by having high aspirations for all young people and giving them confidence in themselves, so they can become the best they can be and contribute actively to society.

**Collaboration:** Working effectively and harmoniously together across phases and accepting our shared accountability for meeting our aims.

**Culture:** Respecting and celebrating diversity and enabling students to participate in, and respond to, artistic and cultural experiences.

**Community:** Building a safe and stimulating environment where caring relationships and kindness are consistently developed and communication is excellent.

**Courage:** Making sure all decisions are based on clear high moral values and commitment to doing the right thing with compassion and integrity.

**Creativity:** Providing pioneering, innovative, vibrant and enjoyable learning experiences that are open to all and based on research, so that the curriculum sits at the forefront of education.

**Character:** Nurturing positive character attributes such as perseverance, resilience, confidence, optimism, tolerance, respect, community spirit, honesty, integrity and dignity.

## SUMMARY OF GOVERNANCE LAYERS

Within TMET there are several layers of governance and the key roles and responsibilities of these are listed here. The TMET governance structure is shown in **Appendix A**.

- **Members** are the guardians of the governance of the Trust and must ensure it carries out its charitable objective. To do this they need an overview of governance arrangements, but responsibility for conducting the business of the Trust remains firmly with the Trustees. Members should therefore be 'eyes on, hands off'.
- The **Trust Board** has ultimate legal accountability for the Trust and is responsible for Trust policy and decision-making. The Trustees oversee the management and administration of the Trust and its schools and delegate authority and responsibility to others, including executive officers and school leadership teams, to undertake the day to day management of the Trust and schools. Key matters reserved to the Board include setting the strategic direction, vision and values of the Trust and approval of the Trust Strategic Plan, policies and educational targets. The Trustees act as both charity trustees and the directors of the company (the academy trust).

The Board is supported in its work by its committees: Finance, Audit and Risk, Education and People and Culture.

The Trust **Articles of Association** set out the charitable objects of TMET along with its governance composition and overarching procedures. They are on the [Trust website](#).

- The **Executive Team** is comprised of the CEO, CFO and a number of other senior Trust leaders. The Trustees delegate the day-to-day management of the Trust to the CEO, who is also the Accounting Officer. The CEO is responsible for the leadership and management of the Executive Team which, in turn, is responsible for the operational running of the Trust and for supporting the Trust schools.
- The **Principals** of the Trust schools are responsible for the day-to-day management of the Trust's schools.
- The **Academy Council (AC)** of each school is accountable to the Trust Board for ensuring that the school leadership team fulfils its responsibility for educational outcomes for their pupils, safeguarding, health and safety and financial outcomes. They provide the governance role of challenge and support at school level. The **Academy Council Constitution and Terms of Reference** sets out the constitution of an AC, the process for appointment/removal of academy councillors and how the AC will operate.

#### CHAIR'S ACTION BETWEEN MEETINGS OF THE BOARD OF TRUSTEES

No individual Trustee is empowered to make decisions on behalf of the Trust outside any specific authority set out in this Scheme of Delegation. However, as an exception, the Chair of Trustees can make a decision as a single trustee when a delay in doing so would be:

- seriously detrimental to the interests of the Trust or and of its schools, and
- it would not be possible to postpone the decision to a meeting of trustees (which the Chair can convene with less than seven days' notice if necessary, provided trustees will have sufficient time to receive and give due considerations to relevant documents relating to the decision).

The following types of decision cannot be made by 'chair's action': decisions related to admissions; approvals of financial spend above £10,000; decisions on executive pay.

#### SCHEME OF DELEGATION FRAMEWORK

The Board of Trustees of TMET has overall responsibility for governance of the Trust, all its schools, The Mead Institute of Professional Learning, the Teaching School Hub and the SCITT (School-Centred Initial Teacher Training) programme. The Board delegates many of its governance functions to other layers of governance, including to the Board committees, Trust Executive Team, Academy Councils and school Principals. This **Scheme of Delegation** defines these responsibilities and accountabilities.

This Scheme of Delegation is in line with the following documents:

- TMET's Articles of Association which set out set out the charitable objects of TMET along with its governance composition and overarching procedures.
- TMET's Funding Agreement which sets out the conditions upon which the Trust receives its funding.
- The Academy Trust Handbook which is issued by the Education and Skills Funding Agency and sets out the financial framework and governance requirements for academy trusts reflecting their status as companies, charities and public bodies.

## ROLES AND RESPONSIBILITIES

The following pages detail the specific responsibilities of the Trust Board, Executive Team, Academy Councils and school Principals in the areas of governance; budgets, finance and risk; staffing and HR; standards, curriculum and target setting; safeguarding; SEND; complaints; health, safety and estates, and information management, communication and marketing.

A school that has joined the Trust as a sponsored academy, or a school where there are concerns about leadership, governance or other areas, may have fewer delegated functions which will be determined on a case by case basis.

The specific responsibilities of the **Members** are as follows:

- Review, amend and agree the Articles of Association
- Change the name of the Trust
- Receive an Annual Report from the Board and the CEO on the Trust's performance (including standards)
- Appoint/remove Members
- Appoint up to six Trustees and remove any Trustee
- Receive the Trust's audited annual accounts
- Appoint external auditors for the Trust and schools
- Approve any service contracts for Trustees

## Appendix A: Delegation Model

### MEMBERS

Guardians of the governance of the Trust. The TMET Articles of Association describe how Members are recruited and replaced and how many of the Trustees the Members can appoint to the Trust Board.

### THE BOARD

Responsible for the three core governance functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff; and
- Overseeing the financial performance of the organisation and making sure its money is well spent

**Trustees** also have duties as company directors, required by company law, and as trustees, required by charity law.

The **Board of Trustees** appoints the **Chief Executive Officer (CEO)**.

There are **Board committees** for **Finance, Audit & Risk, Education and People & Culture** which look in detail at these areas and report back to the Board.

**Chief Executive Officer (CEO)** The Board delegates to the **CEO** responsibility for delivery of its vision and strategy, and holds the CEO to account for the conduct and performance of the Trust, including the performance of the schools and for the Trust financial management. The CEO line manages other senior executives and school principals, except where this has been delegated to other members of the Executive Team or Executive Principals.

The **TMET Executive Team** is the executive management arm of the Trust, focusing on operations and the educational performance of the schools. They operate under the leadership and direction of the CEO. The Executive Team work directly with the staff in each school and its Academy Council to ensure that the required outcomes are achieved in accordance with the vision of the Board.

**Academy Councils:** The Board delegates some of its school-level monitoring functions to **Academy Councils (ACs)** and can change or remove this delegation at any time. **ACs** provide scrutiny of school performance. Each **AC** shall provide assurance to the Board that its school is on track in terms of its contribution to the overall trust performance, highlighting any areas of concern and any support needed. Responsibilities and powers delegated to an AC may be further delegated to the principal of the school, although the AC remains responsible for any decision made under delegation. The Board can change the powers it delegates to the ACs at any time, particularly when there are concerns about the school or its governance.
