

## **Consultation on Kestrel Mead Primary Academy Admissions Policy for 2027-28 and beyond**

### **Consultation timeline**

4 December 2025	Start consultation
23 January 2026	Finish consultation

### **Proposed changes**

The Mead Educational Trust (TMET) is proposing to reduce the published admission number (PAN) for Kestrel Mead Primary Academy from 120 to 90 starting with entry to Reception for the 2027-28 academic year.

Over the last few years, the number of children in Reception at the school has fallen. This is a city-wide issue resulting from the drop in the number of children starting school. Birth data in the school's catchment area indicate that applications might rise next year but from 2027-28 (when this PAN adjustment would take effect) the numbers decline.

By reducing the planned number of places, we have more certainty in our planning for staffing, resources and accommodation so we can maintain the high-quality provision we pride ourselves on at Kestrel Mead.

There will be no changes to the number of places available for entry to Reception in 2026.
